Hi guys,

This is a first cut that was put together in 60 minutes just now – providing to only you in confidence.

Please see Jacqueline's request below. We are all aware of police independence, etc.

Is there anything more that could be put in the document about planning and timelines/stages, etc?

Thanks Mike

Genevieve, I am looking at this now and will make changes in track changes and send back to you so we can continue to update.

**Mike**, my sense is that we need more info from the RCMP on the broad outlines of the OPS enforcement plan in Ottawa over next period of time so people can see what the overarching plan is.... So what is the plan between now and Friday... then over the weekend... then starting next Monday. Just to give people line of sight of that. Not specifics or any tactical information.

Are you able to help with this dimension?

Colleagues,

Further to the discussion at 8am this morning, we would be grateful if you could send your input on the elements of the plan outlined below and we will coordinate pulling together into one document. Please keep it as plain and simple as possible and indicate dates for activities where known. Grateful for your input by **5pm** and please send to myself, Genevieve Binet, Carolyn Pharand and Inez Neville who are also copied on this message.

1. An enforcement plan (PS and RCMP)
2. An engagement plan (S&I and PS)
3. Ontario engagement (MVDG and PS and Transport)
4. Finance (Finance and Justice and CSIS)
5. Public narrative (Ken M) (**done**)

Please advise if any questions.

Jacquie
